April 26, 1971

Mr. John M. Maury
Legislative Counsel
Central Intelligence Agency
Washington, D. C.

Dear Jack:

I wish to thank you and your associates very much for your kind words on the Civil Service League award.

As you know better than most, the legislative clearance functions is a team effort. So I like to think of the award as a "unit citation". Wish you would too.

Sincerely,

Wilf Rommel

Wilfred H. Rommel
